

# SHOP WINDOW

We're cycling into economic headwinds these days but window shopping is still free. **Dan Joyce** casts an eye over a cross-section of new stuff

## Show times

Bespoked, the UK's handmade bicycle show, is at the Olympic Velodrome in Stratford, London from 14-16 October. [bespoked.cc](http://bespoked.cc)

## 1 Tern Short Haul D8 £1,100

Using a similar format to Tern's e-cargo bikes, this is an unassisted small-wheeler that weighs ~16kg, fits in the space of a standard bike, and will carry 70kg on its rear rack. [ternbicycles.com](http://ternbicycles.com)

## 2 Skarper DiskDrive £1,000+

Comprising a replacement disc rotor (300g) and an all-in-one battery/motor unit (3kg), the Skarper DiskDrive will let you switch from bike to e-bike or vice-versa in moments. The battery is 202Wh, the motor 250W with 50Nm torque. [skarper.com](http://skarper.com)

## 3 Carradice Originals Barley Saddlebag (Animal-friendly) £82

Vegans rejoice. Some of Carradice's cotton duck bags are now available with upcycled firehose material replacing leather straps and trim. [carradice.co.uk](http://carradice.co.uk)

## 4 Granite Design Stash RT £64.95

Another way to hide tools in a steerer tube, this 159g ratchet set has 2, 2.5, 3, 4, 5, 6, and 8mm Allen keys, a T25 Torx, and a Phillips #1. The steerer must be open at the fork crown. [granite-design.com](http://granite-design.com)

## 5 Garmin Varia RCT715 £349.99

Garmin's rear light and approaching-traffic radar is now available with a built-in camera (1080p/30fps). You'll need a smartphone and/or compatible bike computer to use all its features. [garmin.com](http://garmin.com)

## 6 Defender Shock Contact Alarm £14.95

This wire-free alarm for sheds and garages, installed on the inside, emits a 130dB siren if the correct four-digit code isn't keyed in within seconds. It runs on 3xAAA batteries. [defendersecurityproducts.co.uk](http://defendersecurityproducts.co.uk)

## 7 Schwalbe G-ONE RS £74.99

The G-ONE RS has the best rolling performance of any gravel tyre, according to Schwalbe. It's meant for tarmac, gravel, and dry trails only, limiting UK applications. Sizes: 35-6222, 40-622 and 45-622. UK price TBC. [schwalbe.com](http://schwalbe.com)
