How is the insurance provided?

As part of Cycling UK membership, Cycling UK has arranged third party cover for members normally resident in Great Britain, Northern Ireland, the Isle of Man, or the Channel Islands. Cover is given under a cover taken out by Cycling UK with Royal & Sun Alliance under policy number RSAP1587485200. The policy has a maximum liability of £10,000,000 in respect of each incident and is for the period 1 October 2023 to 30 September 2024. Cover provided to you after 30 September 2024 will reflect the cover available to Cycling UK at the time. A copy of the master insurance policy is available on request.

Cycling UK believes that the cover provided meets the needs of affiliated bodies. Cycling UK has **not** assessed individual needs for insurance and you will **not** receive advice or recommendations from Cycling UK about your insurance needs.

Cycling UK arrange this cover via Bikmo Limited who are authorised and regulated by the Financial Conduct Authority. You may check this and obtain further information by looking at the Financial Services Register.

Summary of the cover provided

Cover is provided for injury or damage caused by you to a third party while you are cycling anywhere in the world, **except** the USA and Canada.

A third party means anyone **other** than someone employed by you. You will **not** be covered for damage to property belonging to another member of your family. You are covered if you are cycling on a cycle (unicycle, bicycle, tricycle, tandem, triplet, quadracycle, cargo bike or adapted cycle) unless it is driven by mechanical power other than electric assistance.

You are covered while you are a fully paid-up member of Cycling UK.

You are covered while you are using your cycle for private and professional purposes, including business cycling and voluntary work. You will **not be** insured if you are specifically employed as a cyclist e.g. as a cyclist messenger or a courier cyclist.

You are covered while cycling in sportive, touring competitions, reliability events, Audax events, time-trials and in record breaking.

You are **not** insured for any other form of competitive cycling.
