AOB & Cycling Discussions:

- A Ferry operator and their barriers for the Cycling Community were discussed as a potential campaign
- New Ride: 5 Ferries, Potentially 29th July
- Kirkpatrick MacMillan 2024 was very successful
- Ford Road Closure Day was also very successful

- Ghent VeloCity 3500 attended by bike:

QUOTE OF THE DAY

When we planned a new football stadium, we said why not use the bike to solve the mobility issue. We told Ghent's supporters: if you live less than 20 min away, come by bike. We started with 800 bike racks. On the opening night, 3500 fans came by bike.
