- AOB:

2025 Touring - we discussed 2024 successes and the potential to have some of the same rides and 2 others. The Great Glen ride was a fantastic event and may happen again in 2025. A tour leaving from Stranraer and taking in part of the Kirkpatrick C2C is a possibility too. Loch Shin and the Lairg area is also considered. The overnight tours have always been favourites and we have B. Downie to thank for this success. Please do attend the next committee meeting and bring your suggestion and support of 2025 Touring

Next Committee Meeting:

14th January 2025. 7-9pm, Downstairs Meeting Room.
