SUMMER CYCLING COVERED

As summer approaches, it's the perfect time to map out your next cycling adventure in the UK. For those who cherish the freedom of pedalling through picturesque landscapes, there's no better time to revel in the warmer weather than during Bike Week (10-16 June).

Bike Week is the UK's biggest celebration of cycling, and this year we want to celebrate all those who cycle and encourage and enable more cycling. When more people cycle, we all become happier, healthier, greener and more connected. There's lots of ways to get involved – visit cyclinguk.org/bikeweek for more.

During Bike Week, enjoy the peace of mind that comes with a week's worth of free bicycle insurance from our partners, Yellow Jersey. Their Essentials Bicycle Insurance package is tailored for recreational cyclists, safeguarding your bike against potential mishaps like theft and accidental damage during long-distance rides.

The package covers one bike with a value up to £1,500 and also safeguards your accessories up to £250. For details, see yellowjersey.co.uk/bikeweek-2.

Don't forget that Yellow Jersey offers a range of year-round discounts to Cycling UK members on its bicycle insurance policies. Log in to your member benefits portal for all the detail: cyclinguk.org/member-benefits.

Once you've got your Yellow Jersey insurance sorted, check Cycling UK's routes

page (cyclinguk.org/route-listing) to discover detailed descriptions, maps and highlights for a whole host of inspirational cycling routes across the UK.

If your Bike Week adventure ignites a desire to push your limits, why not tackle an off-road challenge with a 15% discount on any one-day Glorious Gravel sportive throughout the summer and beyond.

Glorious Gravel hosts several rides that promise to encapsulate the essence of a British summer, including the Northumberland Gravel Epic. This July event, setting off from the picturesque market town of Rothbury, intertwines serene forests and picturesque villages, providing riders with a captivating journey through this lesser-explored corner of the county.

The Welsh Borders Gravel Epic is a punchy route starting in the glorious Llandegla Forest this August. The route throws everything a gravel bike can take at you, with stunning climbs on the road, hilltop gravel tracks and a thrilling final descent.

No matter your skill level or location, Glorious Gravel offers rides spanning from the Isle of Wight to northern Scotland, catering to both seasoned off-roaders and newcomers alike. Get your discounted ride – visit cyclinguk.org/member-benefits/new-15-uk-gravel-rides.

Now you've got everything need, you can dust off your bike, pack your panniers, and embrace a summer filled with exploration and boundless opportunities.
